INTRO

VERSE 1

Come all who are thirsty
Come drink from the living spring
Come naught will it cost you
To answer the call of the Lord

VERSE 2

Why toil for nothing?
Why buy what will disappear?
Why spend all your hopes on
This world and its fast fading
years

CHORUS

Come! Come! The Lord is calling.
Come! Come! He calls you near
Come all who are thirsty
And run to the Lord so dear.

INTERLUDE

VERSE 3

Seek while He is nearby
Call while he is close at hand
Cease from all thy evil
The Lord offers mercy and rest

VERSE 4

Go seek the Lord's wisdom
Give your ear and turn to Him
Hear what he is saying
Go hear so your soul will be saved

INSTRUMENTAL

VERSE 5

Your thoughts are not our thoughts
Your ways are not our ways oh Lord
Your grace goes to the sinner
Your grace that undoubtably saves
