## VERSE 1

The Lord is my Shepherd I shall not be wanting.  
He leads me in pastures of green.  
He guides me by rivers  
That flow with His goodness.  
That flow forth from His pure springs.

## CHORUS

The Lord, the Lord! In hunger and sorrow  
In plenty and peace, The Lord is all that I need.

The Lord, the Lord! In pain and in trouble,  
In joy and in love, The Lord is all that I need.

## VERSE 2

He comforts my poor soul and guides me on good paths  
Through valleys and shadows of death  
I will fear no evil for You are here with me  
The wonderful comforting guide.

## VERSE 3

I sit at his table secure in His presence  
My cup is filled with His great love  
His goodness and mercy will lead me all my days  
My home will be always with Him.
