Oh Spirit of my gracious God, come draw me to Your side.  
**F#m7** **D2** **Bm7** **E** | **F#m7** |  
For I have wandered aimlessly, too long in selfish pride.

**D2** **F#m7** **D** **F#m7** **E**  
Can I restore this fallen life with labors here below  
**F#m7** **C#7** **Dmaj7**  
Or by my might ascend the skies  
**F#m7** **E/G#** | **A** |  
And stand before Your throne?

**F#m7** **D2**  
Oh Father hear my cry!  
**D2** **E** | **A** | **D2** |  
You alone can save!

**D2** **E**  
Deliver me,

My help comes from on high!

Lord You alone can save.

Oh Spirit of my gracious God  
**F#m7** **E** | **A** | **D2** | **E** |  
Guide me to the refuge of Christ.

## VERSE 2 (MIXED METER: 4/4+6/4)

**F#m7** **D2** **Bm7** **D2** **E**  
Oh refuge sure and ever strong, dispel my anxious thoughts.

Outside I hear the raging storm but nothing shakes this Rock.

**D2** **F#m7** **D2** **F#m7** **E**  
Can savage winds or quaking earth tear down their Maker's keep  
**F#m7** **C#7** **Dmaj7**  
Or mortals challenge their great God,  
**F#m7** **E/G#** **A**  
The One who never sleeps.
