Beside the living stream

In paths of truth and grace

When I walk through shades of
the death

Thy presence is my stay

One word of thy supporting breath

Drives all my fears away

Thy hand in sight of all my foes

The sure provisions of my God

O may thy house be my abode

And all my work be praise

There would I find a settled rest
Em **Em/D** **C/E**
While others go and come

No more a stranger nor a guest

But like a child at home
